WHEREAS subsection 329.1(1) of the *Municipal Act*, 2001, as amended (hereinafter referred to as the "Act"), provides that a municipality, other than a lower-tier municipality, may pass a by-law to have one or more of the optional tools in paragraphs 1 to 8 of subsection 329.1(1) apply in the calculation of the amount of taxes for municipal and school purposes payable in respect of property in the commercial classes, office building classes, shopping centre classes, industrial classes, large industrial classes or multi-residential property classes for 2018;

NOW THEREFORE BE IT ENACTED BY THE MUNICIPAL COUNCIL OF THE CORPORATION OF THE COUNTY OF DUFFERIN AS FOLLOWS:

1. The optional tool in s. 329.1 (1) paragraph 1 be applied, for the purposes of this by-law, in determining the amount of taxes for municipal and school purposes payable in respect of property in the commercial classes, office building classes, shopping centre classes, industrial classes, large industrial classes or multi-residential property classes for the 2018 taxation year, using the percentage figure of 10%.
2. 3. The optional tool in s. 329.1 (1) paragraph 3 be applied, for the purposes of this by-law, in determining the amount of taxes for municipal and school purposes payable in respect of property in the commercial classes, office building classes, shopping centre classes, industrial classes, large industrial

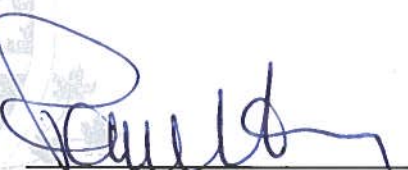

classes or multi-residential property classes for the 2018 taxation year, using the figure of \$500, the highest amount permitted.
