COUNTY FOREST EVENT PERMIT APPLICATION

Terms and Conditions

- The user is responsible for complying with regulations set out in By-law 2017-39 and the Dufferin County Forest Recreational Use Policy (Policy No. 4-6-1).
- The user's event description must be approved by the County prior to being used to promote the event.
- The user is responsible for all costs relating to maintaining the property for use made of it during the event. The County has no obligation to maintain or repair the trails and/or bridges on the property for the benefit of the user. The user is responsible for ensuring that the event route is passable prior to, and following, the event.
- The user is prohibited from cutting any trees, branches or brush without prior written approval from the County Forest Manager or designate.
- The user agrees that any cutting or other damages, that in the opinion of the County Forest Manager or designate, has been caused by the users shall be rectified at the user's expense upon written notice by the County.
- The route of the event must follow the route set out in the permit application.
- No new trails may be created for the event without prior written approval from the County Forest Manager or designate.
- The user is responsible for posting signage on all trails and/or bridges or other signage as requested by the County. Any signs for the event may be posted no sooner than two weeks prior to the event date and must be removed no later than two weeks after the event. If the user is holding multiple events in a calendar year that use the same route(s), event signage may remain in place until two weeks after the final event of the calendar year.
- All trails and/or bridges on the property must remain open to the public for other permitted uses and the public shall be allowed to use them without being charged a fee by the user.
- Upon completion of the event, the user will restore the property to a state, which in the opinion of the County Forest Manager or designate, is as good as or better than the original condition prior to the event.
- The County reserves the right to cancel an event permit in case of predicted severe weather.
- In order to reduce the chances of introduction of invasive species, no firewood is to be brought in to the camping area from outside the Main Tract.

- For events that include participants staying overnight/camping, at least one portable toilet must be provided for the use of participants.
- The user agrees to comply with all applicable municipal, provincial, federal and other laws, statutes, ordinances and requirements.
- The County may refuse to issue or revoke the permit if the user does not provide the necessary supporting documentation or fails to comply with By-law 2017-39 and the Dufferin County Forest Recreational Use Policy.
- The County of Dufferin reserves the right to add any conditions as required. If conditions are not being adhered to, the County of Dufferin may stop, suspend or cancel the event.

As the organizer and person responsible for the event, I have read, understand and agree to abide by the rules and the conditions set forth by these above terms and conditions.
