Rent Geared-To-Income, Affordable and Market Rent Housing

Rent Geared-to-Income (RGI) assistance is also known as subsidized housing.

RGI assistance is for eligible households who do not have enough income and/or assets to pay market rent. Rent for tenants is based on their income. It is available to those who have applied to move into rental units where subsidy is offered.

For tenants who live in "Affordable" units, the rent is based on approximately 80% of the market rent for the community.

To Apply:

- Pick up an application at our office at 30 Centre Street, Orangeville or 167 Centre Street, Entrance E, Shelburne
- Download an application at dufferincounty.ca

Application and verification documents will be reviewed for eligibility. If the applicant is eligible, they are then placed on the Centralized Waiting List for Dufferin County.

If you are a customer of an electricity utility and in a lower-income home, you may qualify for a reduction on your electricity bill. The OESP will reduce the cost of your household electricity by applying a monthly credit directly to your bill. The credit amount will depend on how many people live in your home and your combined household income.

The County of Dufferin supports this program as an intake agency.
